E-CODING AND BILLING SUPPORT

E-Coding and Billing Support is one of our most popular programs. This retainer-type program is a great option for any practice that would like monthly email/phone support and coaching for general OMS billing and coding and claims-related issues.

What You'll Get:

Email coaching and phone support from our billing and coding experts.

Submission of six (6) questions per month* from your practice, pertaining to:

- Understanding insurance explanation of benefits (EOB).
- Review of insurance benefits and preparation of patient financial estimates.
- Billing dental and medical insurance companies.
- Proper usage of claim modifiers.
- Billing Medicare.
- Proper coordination of benefits.
- Claim denials.
- General assistance with insurance issues and questions.

*6 questions cannot be rolled over into the next month.
