

Oral and maxillofacial surgeons:
The experts in face, mouth and
jaw surgery®

Attend a live webinar

Coding for Orthognathic Surgery and Obstructive Sleep Apnea

Overview

Learn how to correctly apply coding principles and guidelines for diagnostic and procedure coding as they relate to orthognathic and obstructive sleep apnea procedures. Attendees will be walked through how to determine medical policy guidelines, the prior approval process, CPT, CDT and ICD-10 codes as well as a general overview of helpful modifiers, the global surgical package and durable medical benefits for OSA appliances. Presenter Terri Bradley will draw on her 30-plus years of experience with medical and dental cross coding and billing for oral and maxillofacial surgery practices in this 90-minute webinar.

Learning Objectives

At the conclusion of this program, participants should be able to:

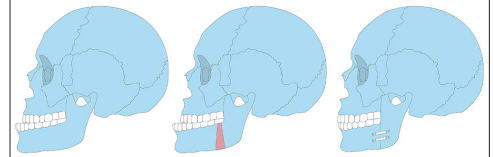

1. Discuss the insurance approval process for orthognathic and obstructive sleep apnea related services.
2. Review how to obtain and gain approval from payer guidelines for both medical and dental.
3. Identify the common procedure codes (medical and dental) for orthognathic and sleep apnea services.
4. Recognize applicable diagnosis codes pertaining to orthognathic surgery/ obstructive sleep apnea services and how they relate to reimbursement.

About the Speaker

Terri Bradley, a certified coding professional practice management consultant, founded Terri Bradley Consulting nearly 15 years ago before launching OMS Billing Solutions as an extension of her services. Her hands-on experience, including management of a multi-doctor OMS practice, laid the foundation for her success as a speaker, consultant and medical coding expert. She keeps up with policy updates and changes in the insurance industry while working daily with OMS offices across the country.

She has been published in the Dr. Raymond Fonseca Oral and Maxillofacial Surgery textbook, Dentistry IQ and CDT Coding Companions, and she co-authored Dictations and Coding in Oral and Maxillofacial Surgery. Additionally, she is a member of AAPC and one of the founding members of the JAWS Society (now known as the Society of OMS Administrators).

Wednesday, Nov. 15

2 – 3:30 p.m. EST

1 – 2:30 p.m. CST

Noon – 1:30 p.m. MST

11 a.m. – 12:30 p.m. PST

Pricing

\$265 per location includes the live webinar and conference materials. Each location will receive one point of access. However, there is no limit to the number of participants viewing via that single point of access.

Unable to attend? Purchase the recording of the webinar that will be available online at AAOMS.org/CEonDemand two weeks following the live event. The on-demand version of this webinar will not be included in the Clinical CE Subscription.
